New Business

A. Streetlights

Bonnie Bare and Eric mentioned that we may work with the Neighborhood Improvement Authority concerning the streetlights. This is not a project for now but possibly in 2023-2024. Suggested the lights to shine on the sidewalks and not so much on the upper story windows. We keep sinking money into the streetlights so it was mentioned to get the cost of an engineer. Also suggested contacting Vienna Twp. on the cost. The board is in agreement to continue on with this project

B. Bump-outs/planting & clean-up day

Bonnie is going to call Brenda from Gleaners on a date for cleanup. Linda Vance would like no mulch, maybe grass, a few flowers in the barrels. Would like to put day lilies in the barrels, not enough sun on the south side, lots of weeds, they are attractive but lots of maintenance. Judy Campbell is going to contact Jenny Burrows on some ideas for the bump outs.

Champion Team Reports

A. Beautification—Bonnie asked for any ideas for 127 W. Vienna, cement area, tables, sidewalk, hub caps, painting and fencing. Brianna showed a drawing on the space at 127 W. Vienna. Lots of discussion on the drawing for 127 W Vienna. Brianna will contact Brad Anthony about his building wall. Need a budget, ideas and do it in phases.

B. Building Improvements/Designs--None

C. Business Development/Economic Restructuring--None

D. Marketing/Promotion—Gary—mentioned the Amphitheater has been contacted by:
