11 **8. Staff Reports/Commissioner Comments**

12 **City Administrator:**

- 13 • Gave comments and updates regarding the City’s present understanding regarding the  
14 identification of service lines and that this may come with a cost of \$500,000-\$600,000 or  
15 more, not including staff time. It is a big deal and error that many of us bear responsibility; old  
16 and current department heads, myself, and except Jim and Josh, I suggested, due to their  
17 limited tenure at the City Commission. It is something we are not prepared for. A long  
18 discussion followed.
- 19 • He also expressed to the Commission his concern with what he perceives to be a  
20 casualness regarding the budget and money. Mistakes might happen, and there can be  
21 unknowns that aren't accounted for, but such things seem to be happening with increasing  
22 regularity with little appreciation for how they will be paid. It is a subject I've attempted to  
23 address with department heads and I will continue to address with department heads to  
24 include our next department heads meeting.

25 **Police Chief:**

- 26 • Gave comments and updates regarding the police department.

27 **City Clerk:**

- 28 • Gave a reminder that Affidavits of Identity and Petitions are due by July 25, 2023, before 4:00  
29 pm. If you get done sooner, please do not wait until the deadline to turn them in.

30 **Commissioner Dotson:**

- 31 • Gave comments regarding his vacation.

32 **Commissioner Williams:**

- 33 • Gave complaint regarding Emterra putting recycling and trash in the same truck.

34 **Commissioner Mosher:**

- 35 • Requested that “Structure of DPS & Police Department” be placed on the agenda for the next  
36 City Commission meeting.

37 **Commissioner Fejedelem:**

- 38 • Nothing to report

39 **Mayor Pro Tem Vance:**

- 40 • Gave comments and updates regarding the 4<sup>th</sup> of July and donations.

41 **Commissioner Westfall:**

- 42 • Nothing to report
- 43 • **Mayor Bare: Absent**
